Included in the Passenger Charge is the access to terminal buildings at arrival and departure and related passenger facilities. Passenger and traffic information is also provided via Public Announcement systems (PA-systems), screens and online at the Örnsköldsvik Airport website. The Passenger Charge also includes passenger services such as baggage wagons, baggage reclaim areas. The Passenger Charge also covers some 12 of the EU security requirements on the airport such as airport surveillance (incl. access controls for airline employees and background checks on persons with access to security restricted areas), and perimeter protection

Passenger Charge shall not be paid for:

- Passengers on departures with aircraft with a MTOW less than 5 700 kg
- Passengers on a taxi flight or private flight
- Children under the age of two
- Transfer of crew members on an air carrier in conjunction with active duty.

CASUAL AGREEMENT – AD HOC SGHA Pricelist 2025

- Transit passengers arriving at an airport by a commercial flight and continuing as scheduled on a flight with the same aircraft or flight number, without leaving the airport.
- Passengers departing with an aircraft after turning back to the airport of departure due to technical or weather disturbances.
- Aircraft operating flights on behalf of ambulance or search and rescue flights authorised by a competent SAR body. - Passengers carried on round-trip sightseeing flights at the same airport.
